Introducing Your Judges

Main Show

Philip Behan (Mingfield) - Ireland

I have owned and shown Chow Chows since 1980 and have made up 11 Irish champions 7 under my prefix Mingfield. I bred the first litter of smooths in Ireland. I joined the committee of the Chow Chow Club of Ireland in 1984 and since that time I have held various positions in the club. I am the current secretary and breed representative to the Irish Kennel Club. I have served on the Green Star and Judges committee and also served on the I.K.C. education committee and I am currently a director of the I.K.C. I started judging in 1985. I have judged in Denmark, Finland, Holland, Norway Portugal Sweden, & Ukraine. Earlier this year I judge the Italian Chow Club Show and with over 202 Chows entered from all over Europe this was a great experience. I am looking forward to judging for The Chow Chow Club the authors of the breed standard the oldest Chow Club in the world.

Philip Behan

Special Awards –Raymond Campbell (Kuanyin)

My first involvement with chows was in a supportive role to my wife Liz in 2002. I started handling a few years later and between Liz and myself have made up five Irish champions three of which have been smooth. Our most successful dog to date has been Irish, International and UK champion Brosscroft Midnight Storm who won best of breed at European Winners Show in Dublin. I started judging two years ago and have now judged Group 3 and 5 at Newtownards and District Open Show, Group 5 at the Anita Association Open Show and Group 9 and variety classes at Navan Limit Show . I have passed the CJTS, points of the dog, conformation and movement and requirements of a dog show judge.

I am looking forward to judging the special award classes at your show and thank the club for inviting me.

9. Best Puppy in Show – Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy, which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it will automatically be Best Puppy in Show respectively. Similarly, if the Reserve Best in Show is a puppy, which has only been beaten by an adult dog it will also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best In Show respectively. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.
- Withdrawal from Other Competition - Puppies which become eligible for Best Puppy in Show maybe withdrawn from all other competition, other than Breed Classes, prior to the completion for Best Puppy in Show in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition which it was previously eligible. The dog declared Best Puppy in Show, however, must not complete in any subsequent competition. **Proviso** For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
10. Best in Show – The dog declared Best in Show which has competed and is unbeaten by any other dog exhibited at the same show. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.
- Withdrawal from Other Competition - Dogs which become eligible for Best in Show may be withdrawn from all other competition other than Breed Classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Proviso For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
11. No modifications will be made to this schedule except by permission of the General Committee of The Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
12. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.

13. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show / event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor / competitor.

14. **DOGS IN VEHICLES ON HOT DAYS** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

- When at the show, never leave your dog in the vehicle.

- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries – Exhibitors / Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

15. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered. Puppies over 4 months old may be entered NFC, but must have completed their inoculation course.

16. **TRADE STANDS** The committee can accept no responsibility for products advertised or sold by standholders at the show and wish to remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.

17. **EXERCISE AREA** An Exercise Area will be provided. Exhibitors/Handlers are required to clear up any fouling by the dog(s) in their charge.

18. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

19. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the committee under Kennel Club Show Regulation F11

20. **CRATES & CAGES** For safety reasons the Kennel Club requests that dogs in soft crates are **NOT** left unattended at any time. **ALL** crates/cages must have the owner's name and ring number clearly visible
